HAPPY THANKSGIVING

from the Hollidays

JENNIFER & DOUG
SERVING CHRIST TOGETHER

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now." *Philippians 1:3-4*

DOUG HOLLIDAY MINISTRIES, INC.

God has given Jennifer and I an incredible group of men to serve with us on our Board of Directors. Their wisdom, encouragement and godly counsel has been invaluable in our lives.

Over the last six months, we have been in communication with a similarly named ministry from Texas. We were unable to convince them that our names and operations did not overlap, and that no one would confuse the two ministries.

In wanting to honor their ministry, and at the same time avoid unwanted expense and controversy, we have agreed to remove the word "ignite" and rename ourselves simply *Doug Holliday Ministries*.

Jennifer and I were hesitant to self-title our ministry, but our Board strongly encouraged us that this change would bring clarity and focus.

Our ministry is more about who we are and the relationships we have than a name and a brand. You, our friends and supporters, have stood with us through the years because of your belief in God's call on our lives and your love for our family.

The groups here in the U.S. that bring me in to speak or train do so because of their confidence in me as a communicator and our impact on students' lives over the years.

In Africa and Haiti, we minister with friends, bringing training and resources to support and expand the vision God has given them.

What an adventure God has us on! What a thrill to be servants of Jesus Christ.

OUR MINISTRY EFFORTS GLOBALLY

S.O.Y.M.

The *School Of Youth Ministry* in Haiti is the fulfillment of a dream Pastor Wiljean and I have shared for several years. SOYM is affiliated with the Global Youth Initiative (GYI), a collaboration of like-minded ministries that are using Sonlife's training model to build disciple-making movements around the world.

J-LIFE EAST AFRICA (BIG5)

This ministry endeavor that was birthed while our family lived in Kenya combines our relationship with two long-term ministry relationships. Our training initiatives in Kenya, Uganda, Rwanda, Tanzania, Sudan, Ethiopia & Burundi bring together youth leaders networked together by Campus Crusade for Christ and equips them with disciple-making strategies developed by Sonlife (J-Life in Africa.).

The ORPHANS&WIDOWS Project

With projects for HIV orphans & widows in Kenya's slums, bringing food and fresh water to the helpless and hopeless, we have only begun to scratch the surface. With the land already purchased, Jennifer and I are now trusting God for the funds to build an orphanage in Haiti.

OPEN DOOR HAITI

This ministry was started in 2006 in partnership with Pastor Wiljean Compere of Open Door Church. After building a christian school, a feeding center, a medical clinic and a training center, ODH-US became its own non-profit and was turned over to the leadership of our friends, Brian & Kathy Stout. Our role now is that of an ambassador, sharing about the ministry & connecting people and resources to Haiti.

EXCEEDINGLY & ABUNDANTLY

God Stuff!

Sometimes we smile. Sometimes we weep. We are always filled with joy as we see God's activity in our midst.

Feeding of the 500

Kids Against Hunger

Open Door's two schools now have almost 500 students enrolled. Of these, only 200 have been sponsored. We have had a growing burden this fall. How can we possibly feed all these kids?

At the beginning of November, I met with a man named Larry, who directs a ministry called Kids Against Hunger. They package and provide food for poverty-stricken kids around the world. Larry promised that if we could cover the shipping, they could get us all the food we needed, for as long as we needed.

On November 11th, two pallets of food, enough to feed the children for two months, showed up at Open Door.

Yea God!

Hope Remains

Tim Goad Ministries

After traveling with me to Haiti twice, Tim was impressed with the need and sought out friends to help us finish the first floor of Open Door Clinic, adding a labor & delivery room and a surgery suite. TGM's \$5,000 gift helped us finish this project earlier this month! Yea God!

The Hope Foundation

In 2007, the Hope Foundation agreed to a 5 year, \$200,000 grant to support Open Door Clinic. After a recent visit, they are extremely pleased with the impact of the clinic and have expressed a desire to now extend their grant commitment beyond 2011! Yea God!
