WINTER 2015

FINALLY HOME

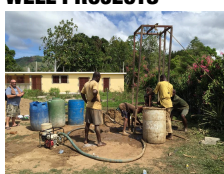

After three and a half years, Doug & Jennifer Holliday were finally able to bring their two new daughters home from Haiti. Thanks to all who prayed for and encouraged them through the long adoption process.

BEACH BAPTISM

What a powerful reminder... a baptism at the beach... 16 young people proclaiming the life-changing power of the Gospel in their lives. Each baptism at Open Door is a joy-filled occasion to celebrate mission accomplished!

WELL PROJECTS

Over \$10,000 has been raised to dig wells at several critical locations to provide water for both ministry expansion and the community at large. The first well was dug at our new Ministry Training Center.

OUR MISSIONARIES

FanFan & Julie Laramé Doug & Jen Holliday and Wiljean & Janine Compere all currently raise support to serve Open Door. Visit us on the web to learn how you can be a part of their support teams.

ORPHANAGE BLESSINGS

Life-Change Church in Ohio, just one of our many ministry partners that make everything we do possible, provided school backpacks filled with school supplies and embroidered with each child's name from the orphanage.

COMPERE'S VISIT USA

Pastor Wiljean and his family visited the US for a month in July/August, seeing friends, family and partner churches in Florida, New Jersey, North Carolina and Ohio. A few highlights were getting to see NYC and Disney's EPCOT.

Orphanage & School Sponsorship Program

Orphanage Expansion

Since we opened the orphanage in December 2011, the plan has always been to expand our facilities to have separate boys and girls housing, allowing us to provide a home for 50 children. In June we received the great news that the Hope Foundation would be providing the remaining \$60,000 that we needed to complete this project. Construction began on the new dormitory in October and will be finished by March 2015. By June, our orphanage will grow from 26 children to 50. We're excited about the opportunity to provide a home for more children. I can't wait to meet them!

Our orphanage operating budget has been \$3500 a month. Expanding our capacity will almost double that. The James 1:27 Foundation has partnered with us again to provide funding to cover the first two months of our expanded operating budget, giving us time to invite more individuals and families to sponsor the new children God will bring us. Our full sponsorship amount for each child is \$150 a month, which pays the staff, provides food and

clothing, pays their school fees, and provides medical and dental care for them at our clinic. Since our girls lived at the orphanage for almost a year before we brought them home, we allowed them to pick four friends from the orphanage to sponsor at \$25 a month. Very exciting!

School Enrollment Growing

Our primary school in Bois De Lance continues to grow, and we added a secondary school last year, growing our enrollment to nearly 500. Our schools in Hinche and Maguayave also continue to grow, with our total enrollment in the sponsorship program nearing 1000 students. Currently, we only have sponsors for 300 of our children. Additional funds are raised every year to fill the gap.

How You Can Help

There are a few simple things YOU can do to help us meet the needs of the children at Open Door's Orphanage and Schools.

1. **Sponsor A Child.** It's more simple than ever. Go to our website. Select a child to sponsor. Change a life forever!
2. **Tell A Friend.** Friend us on Facebook. Share about Open Door. Share the link to our new sponsorship video. Invite your friends and family to be a part of this exciting ministry.
3. **Recruit Your Church.** Ask your Pastor or Missions Program to include Open Door in your church's missions' efforts. Invite one of our Staff to come speak about Open Door at your church. Show our sponsorship video during a service.

Thanks for your investment in Open Door. Together, we are transforming Haiti, one life at a time!
