## Jesus, On Location!

### LIFE OF CHRIST STUDY TOUR

On March 30 through April 11, I was privileged to co-lead Sonlife's annual study tour in Israel. Unlike almost any other Israel Tour, Sonlife exclusively studies the Life of Christ chronologically, on location. I shared the teaching load with a few other Sonlife team members, with some of my teaching locations being: Judean Wilderness, where Jesus was tempted by Satan after fasting and praying for 40 days; Bethsaida, where Jesus fed the 5000; Kursi, where Jesus delivered the demoniac and cast the Legion of demons into a herd of pigs; Magdala, the home of Mary Magdalene; Mt. Arbel, the likely location of the Great Commission, overlooking the Sea of Galilee; the Garden Tomb, a possible site for the crucifixion and resurrection; the Southern Steps of the Temple; the likely location of Peter's preaching at Pentecost.

### DISCIPLE-MAKING VIDEOS

While in Israel, I also shot seven videos that will accompany Sonlife's new **40 Days of Disciple-Making Journey**. Along with the *40 Days of Disciple-Making Journal*, we've also developed a seven week small group study along with the teaching videos to supplement the study.

Thanks for your generous support, faithful prayers and timely encouragement of our ministry efforts with DHM. We could not do this without you.

# D•CONFERENCE BELIZE

## A VISION FOR DISCIPLE-MAKING TRAINING THROUGHOUT THE CARIBBEAN

Back in October 2015, I did a pilot training of the 4 Chair Discipling Seminar before our final printing and release of the Seminar at our first D•Conference in January of 2016 in Houston. That pilot training was in Ontario, Canada, and it just so happened that Pastor Steve Ottley was in attendance. Steve would become a person of peace for the Nazarene Denomination in Canada, bringing me up to Toronto two years ago to train 4 Chair Discipling at their Ontario District Conference.

While at their district conference, I discovered how diverse their churches are. In the room that day, I discovered there were pastors and ministry leaders who had immigrated to Canada from at least six different Caribbean nations. In fact, Steve Ottley himself was from Belize.

As the District Superintendent for the Ontario District of the Nazarene Church in Canada, and with his

Caribbean connections and his passion for Christ, I felt like Steve would be a great addition to Sonlife's Board of Directors. After joining the Board, we quickly began making plans for leveraging his Caribbean connections to expand Sonlife's training to the islands, beginning with his home country of Belize.

A team of six of us joined Steve in Belize right after Easter, April 22-26, to put on a Disciple-Making Conference for a group of 25 Pastors and Ministry Leaders. Our plan is to introduce Sonlife's Disciple-Making training over the next three years following our BE•BUILD•BEGIN training pathway. About a dozen Belizean Pastors have committed to join a Disciple-Making Cohort I will lead by video over Zoom as we continue to build relationships and provide the critical coaching needed to better understand and implement the training they have received.

Belize is only the beginning. Sitting in the room that day back in May 2017 were also leaders from Haiti, Jamaica, the Bahamas, Trinidad & Tobago, Barbados, Curacao... As God opens doors, we will continue to bring Sonlife's disciple-making training to pastors and leaders where there is a hunger.
