BACK TO SCHOOL

Over three straight weekends, we sent Jaclyn, Emma, and Analise back to college. Jennifer drove with Jaclyn up to New York for her final year at Long Island University. Then we made the two hour drive to the University of Florida to drop Emma off and move her into her dorm for her sophomore year. Two weeks after driving Jaclyn up to New York, Jennifer turned around and made the drive again, this time taking Analise up for her second year at Word of Life Bible Institute in the Adirondacks.

It's our prayer that each of our girls will stand strong and shine bright for Christ wherever He sends them.

LEAD THE CAUSE

It was a unique experiences speaking at a nationwide student evangelism conference with no students physically present. About 100 youth groups from across the country joined the simulcast, and on the first night when I shared the simple message of the gospel, about 70 students texted in that they had put their faith in Christ that night.

Each Summer, Sonlife partners together with Dare 2 Share to equip students to share the gospel and reach their campus for Christ when they go back to school. Equipping students with digital tools and strategies in a 2020 where so much of their life has moved online allows them to "go" right from home.

Emma's new dorm room at tUF... across the street from Tijuana Flats, a favorite :)

The stunning view at Word of Life's NY campus.

Thanks for your generous support, faithful prayers and timely encouragement of our ministry efforts with DHM. We could not do this without you.

Reaching the Nations

IMPACTING THE GLOBE IN THE MIDST OF A GLOBAL PANDEMIC

On September 26th, I virtually joined two prayer gatherings that were taking place on the National Mall in Washington, D.C. Franklin Graham led a prayer walk from the Washington Monument to the Capitol, and then Jonathan Cahn put together The Return, a national day of prayer and repentance. I was deeply moved as the following founding prayer was read...

Before finding what would be their permanent settlement in the new world, Rev. Robert Hunt (1568–1608) offered the following prayer on April 29, 1607 at Cape Henry (now Virginia Beach, Virginia).

“We do hereby dedicate this Land, and ourselves, to reach the People within these shores with the Gospel of Jesus Christ, and to raise up Godly generations after us, and with these generations take the Kingdom of God to all the earth. May this Covenant of Dedication remain to all generations, as long as this earth remains,

and may this Land, along with England, be Evangelist to the World. May all who see this Cross, remember what we have done here, and may those who come here to inhabit join us in this Covenant and in this most noble work that the Holy Scriptures may be fulfilled.”

Technology has made it possible for us to participate in the Great Commission in unprecedented ways! A few weeks ago, I was on a Zoom call with Sonlife’s partners from around the globe, praying and strategizing for the fulfillment of Christ’s mission to make disciples from “Jerusalem, to Judea and Samaria, and to the ends of the earth.” After that call, one of our movement leaders in India, Benjamin Francis, invited me to jump on the monthly Zoom training call for his team of church planters. Over the past fifteen years, more than 30,000 churches have been planted, and

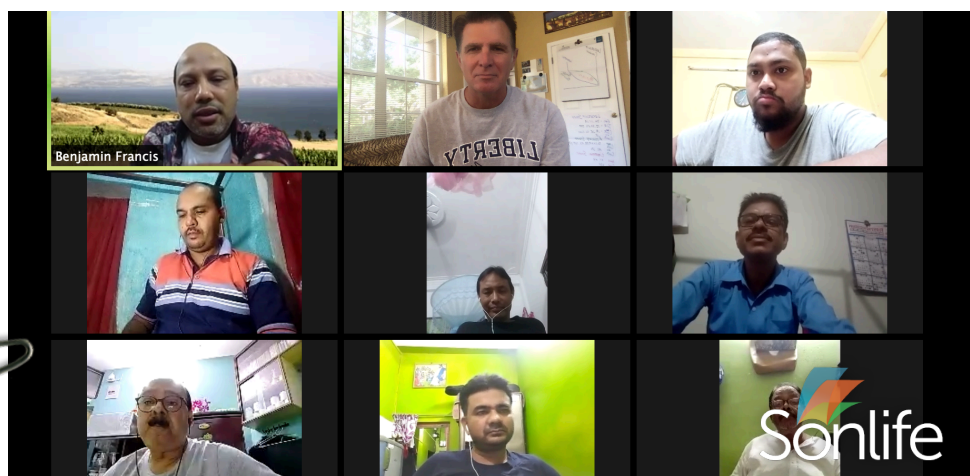

technology allowed me to train leaders from India, Pakistan, Nepal, Bangladesh, Hong Kong and maybe a few other countries... right from here in Lake Mary. What a humbling and joyful privilege!

The Return: Praying for the Nation in D.C.

Together, we are changing the nations, one life and one leader at a time!
