"GOD IS LOVE" – Story
September 2016

Building spiritual movements everywhere so that everyone knows someone who truly follows Jesus

Stories. It's incredible to get to enter into the stories of staff and students all over the nation and to see how each of our lives fits into a greater story. I've been really enjoying my new role on the Epic National Field Ministry team. At the end of this month, I was able to travel to DC to visit the University of Maryland and George Mason University. We spent the week coaching our staff and meeting with students shepherding them in heart and dreaming of what God is doing on these campuses and in this area. I had the opportunity to speak at both of their weekly meetings and realized again how much I love getting to teach and engage in conversations about God's love. Thank you for partnering with me for the gospel and for being a part of my story and the stories of many others.

Please pray as I am headed to Southeast Asia for another coaching trip with our staff there. Pray for safe travels and rest and continual opportunities to see God bring more of his children into his Kingdom.

Meet Cat. She is a Freshman who started coming out to Epic after a Pokemon Go event the first week of school. I had the privilege of chatting with her after I spoke at the University of Maryland at their weekly meeting and Cat made a decision to surrender her life to Christ. I asked her to share a little of her story and this is what she wrote: *"Growing up, I had this unexplainable feeling of loneliness. There always seemed to be something accompanying others that I never understood and after joining Epic, I realized what that thing was: it was God. I realize now I'm not as lonely as I thought because He is and was always with me. That's why I want to build a connection with God, to better know and understand Him. And I know through Epic, I'll be able to create that."*

CAMPUS HIGHLIGHT: One of the campuses I have the joy and blessing of coaching and working alongside this year is Case Western. Hung and Jennie Lu are on staff there and have been working hard to raise up Asian American leaders. God is working mightily at Case as there are 20-25 students involved with their Epic study. Would you join me in prayer as we pray for Samuel and Allison, their Epic leaders, and that they would walk closely with Jesus as they lead? They are also praying to see 20 students this year go to the Epic Winter Conference in January in Anaheim. Please join with me and pray for the Lu family and for health and safety of their new baby girl during Jennie's pregnancy, pray for Hung's dad to come to know Jesus, and pray that they would continue to walk closely with Jesus as a family. Grateful to serve alongside this amazing couple!
