"GOD IS LOVE" – CRUcial Weekly Meetings
October 2013

This year has been so much fun and one of the highlights for me has been seeing God bring a number of students to our weekly "CRUcial" meetings. It is amazing to me that we are entering into our 12th week and we still have new students coming into our movement at large. It has been so good to look back to 3 years ago and see that He has grown the ministry here from 25 to 100 students. It has been a reminder of God's faithfulness and HIS work here on these islands and the simple fact that I get to be a part of it.

One part that has been really fun for me is getting to step into speaking more and more. Although it is not something that I have always enjoyed, the Lord is continually showing me that this is an ability He has given me. The more I do it, the more I love it! I love getting to teach students more and more about Him and the truth of His Word. I love that we have students from all different spiritual backgrounds coming each and every week and that the reality is that for some of these students, they are being exposed to the gospel for the first time ever.

Currently, we are in a series looking at the character of Jesus and it has been both challenging as well as encouraging to prepare for these talks as well as engage in them. We have looked at His character of love and power, His life as King and humble servant. As we finish off this semester, would you continue to pray that students and staff would keep learning more and more about the character of Jesus and His heart for us! Pray that I would continue to trust Him as I lead and speak and that I would simply be used as His instrument to draw His people closer to Him. That I would always fully rely and trust on the Holy Spirit to be the one who leads and guides me!

We are praying that by the end of the year we would reach 200 students consistently in our movement and so we are stepping out in faith to trust that God is going to bring these 200. Would you join us and pray with and for us as we trust Him for big things? Thank you for your continual prayers and giving. I know that I would not be where I am today without you. Thank you for allowing me to walk in what God has called me into and for giving me the opportunity to continue seeing lives changed! Thank you for being a part of changed lives!
