"GOD IS LOVE" – Kingdom Living
March 2017

Building spiritual movements everywhere so that everyone knows someone who truly follows Jesus

This month over Spring Break, I had the opportunity to join Penn State Epic along with 700+ other college students in Panama City Beach, Florida. We spent the week listening to amazing speakers, engaging in evangelism training, and going out on the beach to talk with locals and vacationers about the Gospel. It was such a great reminder of God's heart for his people and to see our students step out in faith to really hear from him and be bold in talking to complete strangers. I love that what we get to do is experience the fullness of the Gospel in our own lives and out of that be motivated by hope and grace to share the love of Jesus with those around us. Would you continue to pray for these men and women as they live out the Gospel each and everyday on their campuses and that they would boldly proclaim the life changing message of Jesus.

Later on in the month, I had the amazing privilege to speak alongside my discip/mentor and her husband (Darrin and Vivian Mabuni) at our Epic UC Santa Barbara/Cal Poly SLO Spring Retreat. 125 students from these two campuses came to hear about what it means to live a life of intimacy with Jesus. There were a significant amount of Freshmen attending and it was a refreshing weekend to be with these two awesome campuses! Thank you for your continual prayers!

We envision Asian American students and faculty whose lives have been transformed by the Gospel, and who are 1) growing in their understanding of and relationship with Jesus Christ, 2) embracing the value of their culture through Christ's redemptive love, and 3) taking their in God's redemptive plan by building missional movements that impact their families, peers, community, and world with the power of the Gospel.
