"GOD IS LOVE" – His work in me
July 2017

Building spiritual movements everywhere so that everyone knows someone who truly follows Jesus

What an incredible summer! Spent the last 10 days in Colorado at our biennial staff conference with over 5,000 other staff. My heart and soul are refreshed and God's vision for reaching each and every person with his love and hope is stronger than ever. **With that, I wanted to update you all with a prayer request and change this next year. I will be serving on the National Leadership Team of Epic as a Missional Director.** This basically means that I along with a co-director will oversee all of our Epic movements nationally, shepherding and coaching them through heart and strategy. I am excited for this new role and coming alongside our staff and students to continue giving every student and staff the opportunity to know someone who truly follows Jesus.

Would you join me in prayer and that I would continue to lead out of connectedness with the Holy Spirit? Would you also continue to pray for my financial support and sharing this with others who may want to partner with me and others in reaching the world? So grateful to share this with you and journey alongside you all! * You can find all giving information at the bottom of this email *****

For those of you who may not be receiving my emails (you may have to check promotions/junk mail), I wanted to say THANK YOU again for your prayers and partnership for the gospel! Spending my second summer in Wildwood, New Jersey was such an incredible opportunity and I see the Lord working there. Thank you for investing so generously in the lives of students I work with and people I get to meet. Students have a week and a half left and so far they have had 345 spiritual conversations, 179 gospel conversations, 27 gospel presentations, and 10 new believers! I'm reminded of the life change on my first summer mission in 2002 and it is amazing to see the continual impact of summer missions on the lives of students everywhere. Please continue to pray for continual friendship with Hamdi and Marcelina over this next year and that I would continue to have opportunities of sharing the hope we have in Christ with them.

We envision Asian American students and faculty whose lives have been transformed by the Gospel, and who are 1) growing in their understanding of and relationship with Jesus Christ, 2) embracing the value of their culture through Christ's redemptive love, and 3) taking their in God's redemptive plan by building missional movements that impact their families, peers, community, and world with the power of the Gospel.
