"GOD IS LOVE" – Summer Ending to New Beginnings
July 2012

Summer coming to an end...

After an amazing summer on project in Santa Monica, I got to come back to Hawaii and spend a fun-filled week with my family! It was perfect timing to get to hang out with them before getting started with the new school year and planning. We spent a lot of time cruising the island and doing a lot of 'touristy' things and really, just spending quality time together. It's been such a blessing getting to experience family times like we used to growing up, especially now with my nieces and nephews, and getting to see them grow up has been especially fun!

... brings us to new beginnings

Prayer Requests

With summer ending, it means that a new school year is just around the corner. We started our staff planning times for this new school and it was an awesome time of getting together and celebrating what God has already done and is going to continue to do here in reaching the campus, the islands, and the world through the University of Hawai'i. Our staff team this year consists of four full-time staff and 2 part-time interns (who are currently still raising support). We believe that the Lord is wanting and going to move in new ways this year as we trust Him with raising up local leaders, a strong freshmen class, and healthy partnership with local churches. Our focus this school year is to simplify things and build well into evangelism and discipleship. We want to continually be centered around the fullness of the gospel in everything that we do. My heart is that we would be a movement and community who operates out of the love of Jesus and who He is and what He has done for us and out of that, we would want nothing more than to grow and share that with others!

- *Pray for Skyy and Gilbert – our two interns (both graduated from UH) who are giving up a year of their lives to serve here. Pray that their support would come in so that they could start with us on campus soon*
- *Continue to pray that the Lord would bring laborers to Hawai'i who have a heart and passion to reach college students*
- *I need to raise about \$800/monthly support in order to continue to serve full time on campus so pray that the Lord would continue to provide and that He would bring new ministry partners*
- *Pray that I would be centered on Jesus in everything that I do and that I would continue to protect my time with Him.*

If you'd like to help support what God is doing here in Hawai'i please go to:
