As we gear up for this school year, would you join me in praying with much faith that we would see more Epic movements built so that we would see Asian Americans taking their place in God's redemptive story to reach the world with his love! Here's a snap shot of where we currently are as we continue to dream of building movements everywhere! Please pray too that as I coach these teams, I would do so with a leading of the Holy Spirit!

We envision Asian American students and faculty whose lives have been transformed by the Gospel, and who are 1) growing in their understanding of and relationship with Jesus Christ, 2) embracing the value of their culture through Christ's redemptive love, and 3) taking their in God's redemptive plan by building missional movements that impact their families, peers, community, and world with the power of the Gospel.
