Blessed to be a Blessing

"And I will make of you a great nation, and I will bless you and make your name great, so that you will be a blessing." Genesis 12:2

This month, along with the other University of Hawaii Campus Ministries (Navigators, Baptist Collegiate Ministries, Chi Alpha, and InterVarsity), we joined together in a one day Campus City Love initiative in hopes to bless students and faculty. For a few hours, we gathered together holding up signs telling students and staff things they were *amazing, bright, clever, spectacular, sweet, beautiful, unique...* with hopes to bless them and brighten up their days!

It was an awesome day of coming together as different campus ministries to join forces in bringing God's heart and love to the place we have been called to! Students would walk by and ask why we were doing this and what we wanted, and it was nice to be able to say nothing. Faces of interest, shock, and smiles covered our campus as they walked by the courtyard! What an awesome opportunity to bless others as we remember how we have been blessed!

Would you join us as we pray for God's heart to reign down on the UH campuses in Oahu? We are praying for revival on this campus and in the lives of students, not only in our movement, but across our campuses! Prayer is essential to seeing this campus move from darkness into light and I would love to invite you in and pray with me daily for changed lives!

Thank you for being a blessing in my life! <3
