“GOD IS LOVE” -- All glory to God
May 2011

Cru 2010-2011

Our end of year PROM Possible, we had 60+ students come for an epic night of food, fun, and fellowship! What an awesome way to finish out the school year and to celebrate all that the Lord has done! We then went straight into our 4 days of staff retreat and

it was not only productive in evaluating and planning, but also just a really good time of connecting as a team one last time before Ed & Lynee leave staff and move back to Sacramento. We'll miss you & will be praying!

One Highlight of this Year!!! <3 05.14

One of my all time favorite things about this month and maybe this year so far was being able to be a part of Jas' baptism!!! This girl has become a dear friend and sister to me just in the past few months and I know our

friendship is for a lifetime! She's become my hang out buddy, adventure seeker, devo partner, personal shopper, and so much more! We started our morning by hiking up to Ice Ponds - what a perfect place to meet with the Lord and to be surrounded by His creation! Being there to walk and journey alongside her has been such a tremendous blessing and to see her get baptized was epic! I love her heart and her desire to understand and know Jesus more intimately. It's such a life-changing experience to see someone you love take steps of faith and encounter the One and Living God. It was a reminder of just exactly how big God is and to hold on to His goodness! He is our Light and Salvation!! Psalm 27

Left: Doing ministry at Waseda University has been amazing! Everyday, God has been showing up in our conversations and we've been meeting a lot of new friends who want to connect. Bottom: Took our team to the temple in Asakusa to gain awareness of the spiritual climate and it really opened our eyes and rocked our team!

Top: Celebrated my 30th birthday with an amazing team! We even got to spend the day at the Ueno Zoo! Bottom: Rained A LOT this past weekend so we all bought umbrellas at the 100 yen store before heading out for the day!
