"GOD IS LOVE" – Finishing Well/Start of Summer
May 2018

Building spiritual movements everywhere so that everyone knows someone who truly follows Jesus

Finishing Well... I can't believe this school year is already coming to a close. May marks the end of another year and it has gone quickly. As I look back on this year, I think about such significant moves, changes, blessings, heartaches, and joys. I think about God's faithfulness and the fruitfulness of this ministry. I think about how I am so small and limited and yet, He is so big and unlimited. It has been a year of growth and leadership and although I sometimes still don't understand my place in this story and time, I know that he has purposefully called me here and so I come fully surrendered and willing to submit to his leadership in and through me. Thank you for your faithful prayers and generous giving and wrapping up another school year with me. I hope the stories of changed lives has encouraged you this last year and into this summer. Please continue to pray with me and for me. This is our Epic National Leadership Team (Renee, Margaret, Tony, me, TJ, and Jon ... featuring Lucas) and I covet your prayers for our team and for wisdom and direction as we continue to lead this ministry as well as unity and trust as we learn and grow together. A million THANK YOUs from the bottom of my heart!!!

Eek. I turned 37 this year and as I celebrated another year, I found myself to be overwhelmed with joy and gratitude for the community that God has given me. It has been refreshing, fulfilling, and so fun! Thank you for being a part of my life and my story in your own individual ways and my life has been impacted by each of you. I see the fingerprints of God in my life because of YOU! From California to Hawaii and everywhere else, it is a blessing to be surrounded by friends who are family! There are so many more of you I look forward to connecting with.

Ending the school year means the start to summer adventures! I'll be gone June 9th- July 20th to head back Wildwood, New Jersey to lead my third summer missions there. There are only two of us leading this year so I'd appreciate your prayers for sure! We have 19 staff and 33 students joining us this year and this is always my favorite part of my job. Would you pray specifically for 1) the hearts of our team and that we would be ready to engage in the Gospel with those whom we meet, 2) financial support for our students and staff as they take steps of faith to invest their summers, and 3) personal connections with my friends that I've shared about over the last two summers. I'm not sure when I'll be back after this summer and I'd love to really give them an opportunity to receive the hope we have in Jesus.

We envision Asian American movements mobilized to take our place in God's redemptive mission, and 1) seeing they have a unique place in missions history and the future of missions, 2) that they are bridge-builders - representing both the empowered and the powerless of society, and 3) they are coming together, fully surrendered, actively engaged in God's work.
