"GOD IS LOVE" – Hope
July 2016

Building spiritual movements everywhere so that everyone knows someone who truly follows Jesus

"Watch the tram car please." These are the words we heard everyday for the last four weeks on the boardwalk of Wildwood, NJ! What an incredible summer! Summer Missions are one of my favorite things and to get to live day in and day out with amazing staff and students, while growing together in Christ, sharing our faith, and living out the gospel is something I am so grateful for! As my transition out of Hawai'i has been a little harder than expected, this summer unexpectedly proved to be one of restoration, rest, and healing! The word the Lord gave me was: HOPE. Hope for what was, hope for what is, and hope for what is to come. Hope for myself, but even more hope for those around me.

Here's a couple pictures that capture just a glimpse of my summer.. **Left to Right: 1)** Each of our students got jobs whether it was working rides, games, or food in order to find ways to share the gospel with their co-workers. We've seen some of them come to Christ already! **2)** I had the privilege of leading an amazing team of staff from West to East Coast and each of brought their unique giftings, abilities, and talents. **3)** As I cruised the boardwalk everyday, I started to build relationships with some workers at a store called Boardwalk's Best. Please pray for Yasmine, Hamsey, and Marcy. I got to engage in small spiritual conversations with them but praying that the Lord would continue to sow seeds through our team. I will be going back in Aug to help close the mission and hoping to get to share the gospel with them one more time. **4)** One my highlights this summer was feeling a very clear calling to intercede for these two dear sisters of mine. Please continue to pray for Lily and Janel and that I would continue to pray for them and ultimately show them the love of Jesus. He is so good.
