"GOD IS LOVE" – Vision Dinner
April 2015

Every year we have our annual Vision Dinner in hopes to share our vision, report what God is doing in Hawai'i (Oahu and Hilo), and to give people an opportunity to partner with us through financial giving. This is our fourth dinner and every year we have seen more and more growth and giving. It is the main function each year that allows us to do what we do throughout the year as a ministry!

This year we had Uncle John and Auntie Faye Waidley come. They both poured into the ministry at UH back in the day and many of the men and women in that room that night were there because of their ministry and faithfulness to God's calling. They had left a huge spiritual legacy in Hawai'i and it's been so neat to see it continue even generations later.

I had the privilege of sharing that night what God has been doing over the past five years that I have been here and then invite others like you into continuing the legacy that was started over 20 years ago. We do believe that out of Hawai'i, the world will be reached.

It a blessing to report that that night, we raised over \$42,000 for our budget for the 2015-2016 school year. We are still looking to raise more funds in order to continue effectively reaching students and faculty in Hawai'i. The funds we raise will be used to help us Win, Build, and Send students in their faith.

Winning students to Christ through the purchase of evangelism materials (surveys, tracts), Bibles, water bottles to give out during Welcome week to gain initial contacts, snacks, and major Fall and Spring outreach events. **Building** students up in their faith through giving scholarships for our major conferences and events. Purchasing bible study material and room reservations throughout the year. And **sending** out students to win, build, and send through helping with actual sending and financial support to send to various vision trips and summer missions trips.
