"GOD IS LOVE" – God of ALL things.  
September 2018

Earlier this month, I had the privilege of meeting with the Cal Poly SLO Epic student leaders. As I looked around at these 40+ leaders planning and preparing for this school year, I was overcome with a sense of peace and anticipation. I saw their trust in the Lord as they would be leading without staff for the first time and I knew that they would do great!

Edwin, a senior, wrote this, "This year God has challenged me to step up in a leadership role that I would have never imagined to be in. The year just started and God has already been showing me so many new things. I know that God is so gracious with his blessings and I am constantly reminded at how good God is to me. As a student trying to balance my own academic and professional career, I have to hold on to the promises that the Bible speaks of. To walk with the Lord, each day, whether that means in ministry with Epic or in the classroom with my non-Christian friends. There is an immense future with where the Lord wants me, however, I know that what he has planned for me is the best that I could ask for. My confidence is in the Lord and I know that he will use me, my team, and Epic SLO in whatever way he sees fit to grow his Kingdom. Please continue to pray for us as Epic SLO enters into new changes and challenges for this upcoming year!"

This last weekend I had the amazing opportunity to speak at the Pomona Valley Cru Fall Retreat. What a special weekend especially as Cal Poly Pomona Fall Retreat was MY FIRST Cru event 16 years ago. If someone would have told me that I would be standing here years later, I would have laughed, but God knew. I taught on the book of Ruth and it was such an encouraging time getting to read and study the Word of God with such amazing students. I am so thankful for how the Lord has used Cru staff and this ministry in my life as a college student and even now -- to be able to give back is my privilege! Thanks for praying!!!

**For those of you who have asked and have been journeying with me this last year... THE LORD HAS PROVIDED! I have officially become a homeowner!! I am trusting that He has answered these prayers knowing fully how this house will be used to build HIS KINGDOM. Please pray as those who enter and sit at the table will encounter a living, loving, gracious God. Look forward to sharing more in the future! THANK YOU THANK YOU for your prayers and please continue to pray as this has bought blessings but additional expenses. He has and will continue to provide! (NEW ADDRESS BELOW)**

We envision Asian American movements mobilized to take our place in God's redemptive mission, and 1) seeing they have a unique place in missions history and the future of missions, 2) that they are bridge-builders - representing both the empowered and the powerless of society, and 3) they are coming together, fully surrendered, actively engaged in God's work.
