# Aloha Ke Akua

"God is Love"

## Prayer Requests ~

1) Praise the Lord for how He is working on the campuses in Oahu and Hilo and a successful Fall Retreat!

2) Pray for Winter Conference and the staff and students of the Pacific Southwest region. Pray that we would come together to shine for Him and to live by our theme of "All in withholding nothing!"

3) Pray for rest and safe travels in the next two months. Pray that Florida would be refreshing and a time of learning and going deeper in His Word.

4) Continue to pray for the support raising process - that I would stay encouraged and not fall into the lies of the enemy. I am at about 58% so pray that the last half would come in quickly & that the Lord would give me a team of willing partnerships. Pray also as I get ready to transition... that I find quality time with my family & friends before leaving.

11 Corinthians 5:14

"For Christ's love compels us..."

UH Crusade Fall Retreat: Last year 20 students attended and this year the Lord brought 42 from our movement including 10 from our Hilo campus.

## Ministry update from the islands...

God is so good! It is such motivation and encouragement to see how the Lord is continually moving in the hearts of our students in Hawai'i. Although I was not able to attend, we held our annual Fall Retreat in October where we had 42 students come. One of our regional directors Shane flew out as our speaker and really got to share about God's grace in our lives, campus, and the world. It was **His LOVE...**

The past three months here have also been just as encouraging. I've been able to spend time with family and friends and really gain a deeper appreciation for the relationships that He has brought into my life. I was able to go to Hawai'i to raise support and spend time with my cousins from Dubai. I also had the opportunity to fly back to Toronto to visit family there. I've also really just been enjoying my church family and my close friends and spending time with you all! All this was a reminder of how much God loves me & the community that He has blessed me with.

I have really seen the Lord's provisions in my life and more and more each day and I am grasping a deeper understanding of God's love for me and His heart for the lost. As I've been raising support, He has shown me how the body of Christ works and that it is nothing that I can do to make this work. It is only because of His people coming together that make this all possible. His love compels us to work together and to share the Gospel of

a solid time in the Word and a time for them to grasp an understanding of God's heart for each of them. Ted, a freshman from Colorado went on the retreat and accepted Christ a few days after the retreat! Most of the students that went are currently involved in one of our small groups! Please continue to pray for the hearts of students in Hawai'i.

Christ especially during this season. I hope that you are encouraged and that during this time, His love would compel you to truly love on those around you.

As this year is quickly coming to an end, I am looking forward to spending more time with family and friends. I will also be at our annual Campus Crusade Winter Conference from Dec.28 - Jan.1 where hundreds of students will come together to seek the Lord and unite, work, and pray for our world to be transformed. After that, I will be in Daytona, Florida from Jan.5-27 taking Bible classes and finishing training from this summer with another class of New Staff. And from there... my hope is that support will be fully completed and I can report to Hawai'i in February for the rest of the school year!

I am grateful for each one of you and I pray this holiday season would be a blessing to you and your family!
