"GOD IS LOVE" -- Santa Monica Summer Project  
June 2012

## Summer Project Highlights

This was my action group for the summer! It was so fun getting to know these women! We were able to grow and learn together as we met for small group and discipleship times! They really strived to live out 1 Cor. 13 this summer and loving others well! Below is our impact group which consisted of two other action groups on our creative date.

Students got to share areas they have seen Jesus transform them in during our first weekly meeting through 'cardboard testimonies'.

This summer in Santa Monica, the Lord really knew what I needed to refresh and restart my passion for ministry! It was an AMAZING time getting to serve with 26 other staff and 58 students from all over the nation! Our hearts from day one was to saturate this project with the message of the gospel focusing on evangelism & discipleship.

We had 8 students from our Hawai'i movements come be a part of Santa Monica Summer Project 2012!!!

We spent A LOT of time going out and meeting new people with the heart and desire to hear their stories. Evangelism was a major component of our summer and it is always exciting to see students step out in faith to share the gospel.

Community... One of my all time FAVS on project was getting to serve with my girls from home! It was also getting the chance to meet and share life with new friends! These friendships are irreplaceable!
