March 24, 2020

Dear Friends,

Earlier this year, Steve Sellers, Cru's U.S. National Director, sent us an email sharing some ways the Lord has worked through Cru globally in the past few years. I wanted to share with you some of what we are all a part of:

- In the last three years over 70 million people have indicated decisions for Christ through our ministries. This is the total from all of our global field ministries, Jesus Film and our digital strategies like everystudent.com.
- Over the last three-year reporting period we have partnered with other ministries to establish almost 865,000 churches around the world. The majority of these are house churches or village churches that are now providing a multiplying gospel witness where God has raised them up.
- Students around the world are being mobilized to begin to take leadership on new campuses. Over a three-year period (2016-18) the number of campuses globally has increased 52% to 7,944 locations. Here in the U.S., the campus ministry has mobilized almost 4,500 men and women through Summer Missions and Stint over 36 months.

This is the ministry of which we have part. The process of taking the gospel to the world and building multiplying disciples is being lived out in each of our lives and through our teams. May God abide in us and we in Him so that we will continue to bear fruit for His glory.

Last month I mentioned being on sabbatical in March; as you receive this letter, please pray for me as I transition back to my normal responsibilities on Monday, March 30th. Also please pray for my final preparations for a team leader gathering with our leaders from the 10 teams throughout New England on April 1.

This picture is from last year in Costa Rica for the Filter of Hope Trip. A fun memory.

I'm so grateful for you. Together we are making a difference.

Worshipping God,

A handwritten signature in blue ink that reads "Liz".
