

December 2023

After spending an inordinate amount of time in indecision about what to write in my card this year, I found a website: 150 Merry Christmas Wishes to Help Spread the Holiday Cheer. I scrolled down to the funny Christmas wishes; here are a few of my favorites.

This card is an annual reminder that I exist.

*I hope you love the present you told me to buy for you.
Merry Christmas!*

Consider my presence a gift. Merry Christmas.

*Christmas: The only time of the year in which one can sit
in front of a dead tree and eat candy out of socks.*

I love that God has given us a sense of humor.

Your faithful prayers, financial support, and encouragement are all part of your partnership in the gospel. Together we are spreading the good news of God's love, forgiveness, hope, and peace; may He bear fruit through us to His glory.

God has given me a wonderful family I look forward to being with, great friends who have enriched my life, and dedicated colleagues who have been a joy to work with. I'm grateful for each of you.
