

NYC Vision Trip a Success

Three weeks ago, 45 of us stood on *Top of the Rock* in Manhattan overlooking all the boroughs - praying. In small groups we visited campuses in Brooklyn, Queens, and Manhattan, praying and learning. We saw and heard about the kind of students and faculty on campuses around the boroughs - their potential and their influence in the city and the world. **Already, we have heard from two couples that they are ready to say "Yes" to moving to New York.**

Thank you from Tiffany

To all involved in planning the NYC vision trip:

Thank you for sacrificially giving your time, talent, and energy and investing in this grand city the Lord has entrusted to your care and leadership. It was a humbling honor to take part in the week and be invited to join you in this specific challenge and calling. Your commitment to seeing God redeem New York City is incredibly encouraging, knowing the Lord will be faithful to His name and glory. What a privilege; you get to play a part in that! Thank you again for trusting His leading and boldly asking Him to provide.

PRAYER REQUESTS

- **Praise God for answering our prayers for the vision trip!**
- Please pray for God's guidance as people are still seeking the Lord about coming or not.
- Pray for us as we create a process to help us be sure we are placing people in the right teams, in the right boroughs, and at the right level of leadership.

THIS WEEKEND

Nov 7-9 in Providence, Rhode Island and Rochester, NY we are inviting Juniors and Seniors to come to a "Preview Weekend" to consider what it would look like for them to serve with Cru as an intern or staff.

- Pray for students to come and be open to what the Lord has for them.
- Pray for the Lord of the Harvest to send out workers.

Your partnership with me is making it possible for students and faculty in New York City, throughout the northeast, and around the world to know someone who truly follows Christ.

Thank you!
