March 9, 2010

Dear Greeting,

Does it surprise you to know that the New York City Metropolitan area has more than 1 million college students on over 140 campuses? That is a lot of students and a lot of campuses. The few staff we currently have in the city on these campuses is woefully inadequate to build movements so that each student and every faculty member can know someone who truly follows Jesus.

One of the responsibilities of my Leadership Development Team is to place teams in our priority locations so that we have the people in place to launch these spiritual movements. Of course then, it makes sense that I am thinking about and praying for NY City, planning with my team about getting people to the city, and talking to people about going to NY City every time I have the chance. **Please pray for me and the team as we work on getting the right people and teams in New York.**

During the month of March most colleges and universities take their spring break. We continue to send students to Florida to reach the tens of thousands of spring breakers; **but also our staff in New York host students, faculty, and other CCC staff from the mid-south, southeast, and even as far away as Texas.** As you can imagine there are lots of benefits from these spring break trips to the city for those who come as well as for those who are in New York. **In light of that would you please pray:**

- **for God to prepare hearts to hear the gospel.**
- **for the spring-breakers to share the gospel with boldness and sensitivity.**
- **for safety for the spring-breakers as they travel around the city.**
- **for God to call some of the spring-breakers to come back for the summer, a year, or a lifetime.**

It is such a privilege to help get teams to places like New York so that more students and faculty can hear the gospel. Thank you, that together, we get to do that!!

Because God loves,
