Dear Friends,

I thought you might like to see those with whom I work directly. These men and women love God and work very hard to engage with today's students to help them know the Lord. It is a privilege for me to come along side them as they lead teams in Buffalo, Rochester, Syracuse, Ithaca, Manhattan/Bronx, Brooklyn, and Queens/Long Island.

August 12-16, I will be traveling both upstate NY and to NY City to meet with them individually and in 2 groups as we prepare for a new year. While some things are the same generation after generation, other things are vastly different. Ministry is never on auto pilot.

These are some of the things I pray for myself and these leaders. Will you please join me?

- listen to God - seek him in our leadership
- lead with vision & clarity
- abide in Christ, walk in the Spirit
- God to bear fruit through us

Thank you for having a significant impact in students' lives throughout New York and beyond. I'm so grateful for you.

July 18th, David Robbins was commissioned as the new Cru president. This is David and Meg, his wife. David comes into this role with a rich walk with God, a heart and vision for the world, and depth and breadth in ministry and leadership. I'm excited to have him serve as the 4th president.

I hope you enjoy the rest of the summer.

Grateful for the Spirit's presence, power, and guidance,
