February 13, 2019

Before Monday morning, I did not know Ryan, Sherami, and Kent. We all live in the greater Boston area and work with four different Christian campus ministries. We came together for a step forward with the EveryCampus initiative. (EveryCampus.com)

EveryCampus is a collaborative venture of multiple ministries to mobilize prayer and gospel movements to reach every campus in the country. The goal is to mobilize prayer walks on every campus in the US in 2019.

We were the first to pray on Northeastern University's campus, not far from Fenway Park (for you Red Sox fans).

A second step we are taking is inviting our local networks to take part in the Collegiate Day of Prayer on February 28th.

([www.collegiatedayofprayer.org](http://www.collegiatedayofprayer.org))

We are also inviting our students to join together in prayer on that day. Details are in the midst of being worked out.

You are welcome to join in either or both of these prayer initiatives, if you'd like. The websites will guide you in how to engage.

For years now, Jesus' words in John 15 have been echoing in my mind. "Abide in Me and I in you, apart from Me, you can do nothing." These words have driven me to pray more than ever before.

Thank you for your prayers. I want my life's work to be done with God and for His glory.

Your partnership is what makes all of this possible. Thank you.

Because God answers prayer,
