

# Preview Weekend Highlights November 2010

More than 18 % of the 79 students attending came to know Christ while in college. Great to see some of the fruit of our labor!

I loved sharing with the students what God is doing in the world and inviting them to join with us as interns, new staff, or part-time field staff.

"As base a thing as money is, it can be transmuted into everlasting treasure. It can be converted to food for the hungry and clothing for the poor. It can keep a missionary actively winning lost men to the light of the Gospel and thus transmute itself into heavenly values. Any temporal treasure can be transmuted into everlasting wealth. Whatever is given to Christ is immediately touched with immortality."

Thank you for your investment that is "transmuted into everlasting wealth". Students' lives are being transformed by the power of God. Thank you, too, for your prayers. God provided the additional funding, 61 of the 79 students expressed interest in working with us full or part-time after graduating, I got good feedback on the worship and vision times, and Julie did a great job with all of the logistics. One cool answer to prayer was having a restaurant

The students standing are from places we didn't have a Campus Crusade for Christ movement until three years ago. More staff and interns enables us to get to new places.

that could serve us all - we ended up at a restaurant at the Yankee Candle Flagship store that the students especially enjoyed.

As Thanksgiving approaches I am mindful of how very thankful I am to the Lord for you. I pray God blesses you as much as He does me and the students because of you.

Happy Thanksgiving,
