Dear Friends,

Who would have thought we'd have to worry about a snow storm on the first day of spring? Monday evening till Thursday, for the next two weeks we (Mike and I) are pulling together some of our staff to explore some campuses. The 19th-22nd we will be in Boston and the 26th-29th in Providence, RI. As we explore these campuses to see what's happening, our hope and prayer is that together we will gain experience, new strategy, and some tools as we explore and listen to the Lord. What we discover will then dictate what we do and how we move forward (or not) on those campuses. A snow storm, like the one we just had, would greatly limit and even cancel most of what we have planned.

In addition to praying about the storm, please pray for us to have courage, to listen to the Lord, and for God to guide us to where He is working.

These efforts are part of our work to have a witnessing gospel community on every campus. We want each student and faculty to know someone who truly follows Jesus.

April 4th, Mike and I are bringing all our leaders together from the 10 teams we oversee in New England. Our time with them will include a devotional, encouragement about our direction, training, and practical help as the campus climate continues to change.

I'm so very grateful for you. I think of Paul's words in Philippians, "I thank my God in all my remembrance of you, always offering prayer with joy in my every prayer for you all, in view of your participation in the gospel from the first day until now."

Picture from my back door Tuesday evening.

This is Mike Bost. He and I lead together in New England. I took his picture in January when he was sharing with the student leaders in Maine. He and Michelle, his wife, have four children; the oldest of whom is in college.

When all the changes were happening within Cru last year, we were excited to be chosen to lead together here. We have a healthy respect and trust for each other and love working together.

Please pray for God to bless our relationship and for us to abide in Christ, have wisdom, love our leaders, and bear fruit.
