

What are 30 Cru staff from all over the country doing in NYC Oct 6-9?

Considering God's call

We are praying the Lord will lead many of them to move to New York City; that they will link arms with the current staff in NYC and reach the nations for Christ through this gateway city to the world.

October 6-9 they will walk along the city's sidewalks, explore its campuses, and meander through its neighborhoods, keeping an eye out for God's ongoing work of (re)creation as it unfolds among the city's million teens, one million college students, and over one hundred thousand faculty. We are inviting them to see, hear, taste, smell, and touch the many different aspects that make New York City a place that is on God's heart. We are grateful for the sacrifice of time and energy that they will make to visit and consider God's call to move to New York.

We are so glad they are coming. Their time with us those few days may be challenging, uncomfortable, adventurous, exciting, or all of the above and more. However they experience NYC this week, we are praying that the Lord will reveal Himself to them through the people they will meet and the places they will visit. We pray He will place within their hearts a desire to be a part of this amazing opportunity to impact this city, our nation, and the world for Jesus Christ. Please join me (us) in praying for this!

Your partnership in my life for the gospel means so much. I think not only about this vision trip but also about people who are on campus sharing with this year's first year students because of your partnership with me. Also, I have felt very loved and supported after the recent death of my mother. I'm so grateful for your prayers, cards, email, and facebook messages. Thank you so much!! You really mean a lot to me.

Because God's lovingkindness is everlasting,
