

OCTOBER 21, 2021

Dear Friends,

Monday morning I was sitting around the table with the Cru leaders in Boston with whom I regularly connect. During the meeting people shared something from their ministry for prayer, which we immediately prayed for. I thought sharing them with you would give you some idea of some of the things going on and could give you the opportunity to pray as well.

Tammy - At Harvard "The Lost and Found" (what did people lose / find in the pandemic) event next Tuesday Oct 26 live and Oct 28 Zoom: That it will have a big impact on campus. And there would be good spiritual conversations afterward.

Sarah - At MIT - Lots of momentum - team wisdom in leading the student leaders.

Emilio would go the Next (Cru recruiting conference Oct 30-31.)

Liz - New England Staff Retreat this weekend (Oct 22-24). Welcoming environment that those who are new or are hurting would be supported and encouraged. That we'd be Covid safe.

Andrew - Many ministry opportunities - what does he move ahead? at Babson a new opportunity for a grad ministry, at Bentley and Fitchburg a new opportunity for an athletic ministry, at Curry College a partnering opportunity.

Todd - The ministry at Northeastern University has doubled. We've been doing it in partnership with a church plant and have some concerns with how some things are being postured. Wisdom and discernment in how to proceed.

Jeremiah and Pat - At Harvard we need a new generation of Christian leaders among the athletes. Also first and 2nd year student men to join small groups where they can grow in Christ in community.

Ben - Meeting with Boston College athletes. Wisdom in the conversation.

Bill - Non-Christian faculty couple coming for dinner. To be able to share God's love and words in a winsome manner.

Thank you for your prayers and encouragement for the Celebration of Life I led for my sister Ann. God answered much prayer and I was able to say what He'd put on my heart to share. Many came up to me afterwards thanking me and some mentioned something in particular that had connected with them. A woman who worked there heard me share and came up afterwards. My words had ministered to her too. Her brother had passed away 9 months before. She is a follower of Christ and thought the message of good news found in Jesus was clear.

It was good to be with everyone.

I cannot fully express the difference it makes having your partnership in the gospel. Thank you.

Because God is love,
