December 2024

As I'm preparing for Christmas by decorating, Christmas shopping, and making hot chocolate sauce; I'm also reflecting on the great love that God has for me. No birth in history, that I'm aware of, has had such an impact for so many generations.

I'm so very grateful that Jesus was born, lived an amazing life, gave his life which made it possible for me to know God. Through joys, sorrow, and the mundane, I have experienced God's love, mercy, grace, forgiveness, peace, hope, and joy throughout my life. I look forward to being with him forever.

Have a wonderful Christmas!

Grateful,

Liz
