

June Update

Greetings from Hungary! It's time again for an update from us on what's been happening here. This month's update will be brief, as it has not been long since our last update, and we want you to take time to read the important material we've posted in the "resource" section at the end. We are hearing the trumpet call of God!

Family: We are all grateful to be doing well here right now. The orthodontist says that he should be able to remove Charity's braces in another month or two. Naturally, she is very excited about that. We will also be celebrating her fourteenth birthday at the end of this month!

We will be wrapping up another fantastic year of home schooling this month. Charity graduates into the eighth grade, Hope into sixth, Faith into fourth, and Christopher into the second grade.

Joseph also graduated this month -- out of his crib and into a new, youth bed! He's very excited about that and we've captured a few Kodak moments of the excitement, which you can find in the "more photos" section below. He and Christopher even helped Len to assemble the bed. He really feels like a big boy now. The morning after his first night in it, Jennifer peaked through the door into his room, and saw that he had made his bed and was kneeling next to it with his Bible praying like his big brother does.

Ministry: Len has been continuing to meet with and disciple Greg and Gábor. We've also been conducting evangelism, and prayerfully planning future ministry activity. One area will be to meet with pastors, elders, and disciples in Hungary. Another will be to travel to Romania, perhaps in July.

The Lord has us in a place of prayer and intercession right now. He is moving powerfully and supernaturally in our lives individually and as a family. We've been documenting and posting some of these things in blogs up on the web, in order to help others. The reach of that part of our ministry has grown globally even more since we last updated you. We hope you will take time to prayerfully read the latest ones in the "resource" section at the end of this newsletter.

We received an email from Marina, one of our friends in Bulgaria. She stated: "Seven weeks we had a prayer and fast for our personal and national revival between Easter and Pentecost (in a chain among all AOG churches in Bulgaria)! Thank God, He protected us from a destructive earthquake on May 22d - no human victims but just destroyed buildings - 5.8 on Richter scale! God is good!"

We received an email from David Vadnai, one of Len's disciples. He said, "When I tell my testimony to my brothers in Christ, or non-believers, I always mention you and what God did in my life through you. My Lord always reminds me that I would have not found Him, if my father hadn't died. He will give me back everything that Satan stole from my family and me. God will take revenge, and He takes it even now. God is good!"

Administrative Needs: In the fall, our immigration visas are due to expire, and we must renew them. In order to do so, we need a Hungarian church to sponsor us. The church that sponsored us the last time has lost its status as a church due to a new, draconian law passed on January 1. This law redefines who can qualify legally as a church. A church must have either been in existence in Hungary for at least a hundred years, or it must have at least 60,000 members within Hungary. The Hungarian Free Christian Church has been around for decades and has churches all over Hungary, but it doesn't meet these criteria. Prior to this law, there were 340 churches in Hungary, and now there are just a few.

So we are at the Jordan, needing to cross over to the other side, and we need the Lord to part the river. Please pray that He will provide a way where there is no way.

Trumpet Call: We firmly believe we are in the very final moment prior to the rapture, when Jesus Christ will soon come to take His people to heaven. The Lord has impressed it deeply upon us that the rapture could happen at any moment, and we need to be ready for it. There are signs taking place in the earth, as well as the sun, moon, and sky all over the world. There are various plagues such as dead fish, birds, and blood red water. There are many wonders, such as the strange loud noises being heard from the sky and earth all over the world. The trumpet sound is being heard around the planet. Get ready, people! Jesus is coming right away. There is no time left. It's high time we sought holiness and consecration. Let us fast and pray and seek the Lord Jesus. Repent and ask Him to purify you, no matter what the cost. Pursue holiness (Heb 12:14). Seek first His kingdom and His righteousness. Don't be left behind.

In closing, we have much to praise God for, and many opportunities for you to join us in prayer.

Praise the Lord with us for the many answers to prayer:

1. For the way He is moving supernaturally among us with power.
2. For the opportunities to evangelize the lost here.
3. For David's zeal for the Lord and faithful service as a true disciple.

Next steps and prayer needs:

1. For the Lord to reveal Himself to László and Annamaria, Zsolt and Andi (ZHOLT and ON-dee), and our hairdresser, Juszti (YOU-stee).
2. For the Lord to use all of us in our personal evangelism work, including the children.
3. For the Lord to continue using Len's disciples David, Greg and Gábor to reach the lost with the gospel, as well as make disciples.
4. For the outpouring of His Holy Spirit here in Diosd to ripple all across Hungary and Eastern Europe.
5. For the Lord to powerfully anoint and help Len as he meets with pastors, elders, and laborers here in Hungary and Romania this summer.
6. For the Lord to send forth laborers to the Hungarian Roma (gypsies), as the Lord is laying a burden on our hearts for them.
7. For our financial blessing.
8. For the Lord to provide a sponsor and help us renew our visas in the fall.

Thank you so much for your partnership in this ministry.

Love from all of us,

The Lacroixs
