

## ***December Update***

Greetings in the name of our Lord Jesus Christ! We're pleased to share with you the wonderful things the Lord has been doing in our lives and ministry.

*Family:* The Lord blessed us all with a wonderful Thanksgiving Day celebration in November, when we all got together for the traditional meal, before which we all gave thanks to God for His many blessings in our lives. Prior to dinner, a few of us took a lovely walk together in the park. It was a very special time together. It was a very special and memorable time together.

Christopher has been accepted for enrollment at a local technical college, where he plans to begin studying for his Associates degree in IT next month. We continue to pray and believe God to provide him with a well-paying job in his field.

Christopher is also scheduled for oral surgery to remove his four wisdom teeth on Thursday, December 21st. Due to the fact that his teeth are impacted, it is considered a difficult procedure, even for a wisdom tooth extraction. Please pray that all goes well during surgery with no adverse drug reactions, no complications, and a speedy recovery after surgery with no dry sockets, no infections, and no need for follow up medical care (eg., to stop the bleeding).

*Ministry:* As we continue to administer our [discipleship training school](#) (DTS), we'd like to update you on the good things that God is doing with it. By the grace of God, we currently have disciples in five nations including Uganda, Kenya, Nigeria, South Sudan, and the United Kingdom.

In December, Max, who is one of our students in Uganda, sent the following praise report to Len:

"Hello, praise God, dear brother Len. I am so excited to testify about what the Lord is doing in my life through DTS. I feel blessed to believe that yes, God is transforming me by being in the DTS program. As I started studying Third year second quarter, I quickly noticed a sudden change in my spirit as I received the joy of the Holy Spirit. I feel thrilled in my bones as I kept on reading.

What blesses me most is the course work reading "the beauty of brokenness."

Praise the Lord for what He's doing in brother Max's life.

His wife, sister Rebecca, also shared the following testimony:

"Praise the Lord Jesus, Brother Len,

I am glad to testify that, by the grace of God, I just finished the last quarter, and am now in a new one. I have been able to learn new things from the Word of God, while reading and studying the course works. For example, in The Kingdom of God II course during my last quarter, it was interesting to know how many physical things are translated to spiritual things and vice versa (e.g., bread from heaven appearing on earth), and learning about the nature of God's Kingdom. That subject, among many others, has added virtue to my faith.

I also thank God, who has kept us alive and healthy. My daughter has been sick, and God healed her. My dad is still undergoing treatment after the successful operation, of which we are continuing to believe God for complete healing.

Yesterday I had the opportunity to minister the word of encouragement to my clients, who are HIV positive, and many were surely encouraged and strengthened. This is as a result of the knowledge I have acquired from different aspects of the DTS training, (i.e. weekly Bible reading, course work, and LTG meetings).

Max in Uganda

Rebecca in Uganda

Catherine in England

Thank you, God bless you

Sis Rebecca."

Once again, we can truly say, "Praise God" for what He's been doing in her life.

In December, Len received the following note from sister Catherine in England, who is one of our students there:

"Dear brother Len and sister Jennifer,

At 3:00 am at night, I woke up from a dream, and our Lord gave me the interpretation of it.

In the dream, I was sitting in a big room, and Christians from Church were seated all around the room, with a coffee table in the middle with Holy Bibles and candles on it. It was like a big prayer meeting.

Then a tall angel in white appeared, and he had a bow and arrow in his hands; and he walked all round the room until he came to a man seated next to me. Then the angel shot the man dead with his bow and arrow in the man's heart. Then I woke up.

The Lord interpreted it and said to me, 'In the dream, the man sitting next to you in the prayer meeting was a wolf in sheep's clothing, and you were his biggest threat. But My servant killed him to protect you, and I will protect My Church as long as they obey Me and My words. My Church needs to wake up. It is time for me to judge the Churches and punish the wolves in sheep's clothing. And I am asking my people to pray for discernment, as there are too many false gospels being preached, tickling people's ears and compromising with the world, therefore ignoring my commandments, allowing the spirit of lawlessness in, dirtying My Church, and the dress code of many of My daughters, wearing trousers or tights, revealing too much, and makeup and earrings. The Scriptures say it is forbidden for women to wear men's clothing. And my sons with open shirts and trousers on their hips. Christians will end up in hell, if they don't repent. And now is the time to witness the power of this, as an urgent warning to My Church through My Holy Spirit, as time is running out. This dream is a warning to my Church, and it's time to judge the false prophets. So Church, please be alert and be ready for Me, as the rapture will be in a twinkling of an eye. And remember the parable of the ten virgins.'

Our Lord wants His message witnessed to all His Church. This experience has made me feel more determined to witness and be more alert. I was quite scared to think that the devil sat next to me in a prayer meeting, a wolf in sheep's clothing, but greatly comforted that our Lord will protect us. I am praying for you all. Bless you all.

With love in Jesus Christ our Lord.

Sister Catherine"

That was an amazing dream and interpretation the Lord gave to her, which bears witness and aligns with His Word. She said it occurred on December 9th. Please take it before the Lord and ask Him for discernment, as with any dream, vision, or revelation.

Praise the Lord! What an amazing miracle the Lord did to heal sister Catherine's long-term issue in her belly, as well as her LTG partner, Esther's stomach cancer.

Len received the following report from brother Tom, who is a pastor in Uganda overseeing several churches:

"Dear brother Leonard,

The Lord responded to your prayers for our crusade. We hosted up to five thousand people. Two hundred fifty four people got saved. We made a follow up and managed to baptize eighty-seven new converts. We give God all the glory for His marvelous work of salvation to the lost souls. Several church leaders from different denominations also attended."

Praise the Lord.

Len also sent out the *Old News That's Still Fresh* in December to pastors, elders, disciples, and laborers in the harvest in North America, Europe, Africa, Asia, and Australia.

Note: Some words in the recorded testimonies above may have been changed to correct the grammar and spelling, and to enhance their clarity and readability. This was done without changing the meaning.

In closing, we have much to praise God for, and many opportunities for you to join us in prayer.

*Praise the Lord with us for the many answers to prayer:*

1. For a blessed time celebrating Jennifer's birthday, as well as Hope's.
2. For a blessed Thanksgiving Day celebration together as a family, giving thanks to God.
3. For Christopher's acceptance into the college.
4. For the amazing testimonies of God's work in the lives of our students, especially the hundreds of souls that have been saved through their ministries, and the many disciples being multiplied through them!

5. For the opportunity to assist each of our students in becoming disciples of Christ and fulfilling their callings.
6. For the Lord's leading, guidance, wisdom, and help administering the Doulos Training School (DTS), and for the progress the students are making.

*Prayer needs:*

1. For the Lord to help Christopher to find an excellent, good-paying job in the IT field.
2. For the Lord to help the oral surgeon to do an excellent job extracting Christopher's wisdom teeth, that there would be no complications, no adverse reactions, no infections, no dry sockets, and that the bleeding would stop within a reasonable period of time following surgery.
3. For the Lord to provide for all the needs of our DTS students.
4. For the Lord to assist us with the administration of the Doulos Training School (DTS), as well as develop through it many disciples who multiply disciples.
5. For the Lord to help all of our DTS students to find LTG partners (another Christian to meet with weekly for discipleship in a Life Transformation Group).
6. For the Lord to fulfill His purposes for us and our ministry.

with love from all of us,

The Lacroixs
