

The Lamb Family

CRU MISSIONARIES at BUFFALO | July 2021

What are the Lamb's up to this summer?

We are staying put mostly in Buffalo this summer. Somewhat to just let Jenn's foot to heal from foot surgery. Also, Covid was rough on the world, but also the Lamb kids. So, all the kids except Abbey will be doing summer school. Of course there will be plenty of swimming, ice cream, sports camps, VBS, etc.

We lost a good chunk of monthly financial support during the Covid year so we are focusing on re-raising what was lost, and a little extra for a growing family. That way we can fully focus on campus ministry once the college school year starts back up again in August.

For the students in Buffalo this summer we are doing Summer Cru. We will be doing things like meeting up weekly to listen to and discuss a Gospel message, smaller group bible studies, fun socials, and do various outreaches and service projects around Buffalo.
