

The EPIC Ministry is Epic!!!

One of my favorite things about my job is the Epic ministry. I love working with Asian American students and so I was eagerly looking forward to this year's Epic Conference. **We had 35 students attend**, which blew our expectations away since two years ago we only had eight students at the same conference. It was a great weekend of challenging speakers, fun community, good food, and an outreach in downtown San Francisco. The best part of the weekend was the **2 students in our ministry that came to Christ**. One of Epic's leaders, James Leung, had his sister receive Christ with him on the last night of the conference. Both of them were sobbing and full of joy as she made this decision. And then there is Thomas Chan, a freshman who told one of our student leaders that he definitely wasn't a Christian at the first meeting of the year. He was listening to the talk about "the gift of God's grace," and it clicked for him and he decided he could trust God with his life. I couldn't have asked for a better weekend of ministry to go deeper with our students and see God move in big ways.

Praying for our campus

Jesus Loves the Mustangs Outreach Feb 23-28

We are having an outreach this week where the goal is to love as we have been loved; serve as we have been served. Unify as a body of believers under the banner of Jesus' love and truth by humbly taking on the mind of Christ, loving and serving our campus. Please pray for this outreach. Here are some highlights for the week...

Monday: Appreciation Day - Cookies will be brought to classes. There will be a booth on campus where you can write thank you notes to your teachers and friends and where you can sign appreciation posters for your college department, president Baker, ROTC, and the ASI president.

Tuesday: Love Mural - There will be a love mural on campus where students have the opportunity to paint, write, talk about what love is. [Check out KEVINandJENN.CCCministry.org](http://www.KEVINandJENN.CCCministry.org) to see pics from the week

Thursday: Service Day - A couple of booths will be set up on campus where students can sign up for us to come out and serve them on Saturday (anything from yard work to cooking them a meal).

Friday: Day of Prayer - We will be taking prayer requests at booths and around campus and actually praying for people.

The Abigail Update

Abby is a one year old now! Wow! Well, her strawberry shortcake theme party was a hit. She loved every second of the attention and every bit of her first cupcake. And the other big news is that Abby is walking now. She woke up on her birthday and decided to walk and has never turned back to crawling. And her new favorite word is "HI"; she greets everyone with many "HI" and a big smile.
