

Hello!

From a beautiful May day in Buffalo NY. We hope all is well! We are wrapping up our most encouraging school year since we moved to NY.

We wanted to bring you up to date with our plans for this summer. Recently, we were asked to help staff what CRU calls a “beach side summer mission trip” in Wildwood, New Jersey. For a month and a half we will be sharing our faith daily with the beach community and with the hundreds of international students who come to work on the boardwalk. We will also be developing the 50+ Cru students from around the country in spiritual growth and leadership skills.

Honestly, there is no better training we can give students than to have them go on a summer project. We see timid students leave for the summer and come back built up in their faith, taken on leadership, learned how to share their faith confidently and effectively, and are ready to lead back on their campuses. **We are praising God that 3 of our key female leaders will be going with us. This is an answer to prayer to have strong female student leadership for the fall semester,** as Jenn will be off campus when our baby girl arrives in September.

As excited as we are, we can't do this alone. First off, we need lots of prayer for the summer and also as we transition to a family of 6 at the busiest time of the school year. Secondly, since summer projects are above and beyond our monthly support, we must raise money to help lead the Wildwood Summer Project. So we need to raise \$4000 for the project, which will include food, lodging, travel, and project costs for the month and a half for our family of 5. On top of that, we are raising for the extra medical expenses of having a fourth child which will around \$3,000. Would you prayerfully consider giving \$75, \$100, \$200 or any other amount? We have enclosed a response card and a return envelope for your convenience; you can also give online at [www.Give.cru.org/0561649](http://www.Give.cru.org/0561649)

Again, thank you so much for all your encouragement over these last couple of years. Your friendship is greatly treasured.

Serving Christ with You,

*Kevin & Jenn Lamb*
