God still using Cru after college

This past month God gave us a glimpse of how he continues to use the ministry of Cru in students lives after college.

Greg and wife Brooke

Greg

Hey Kevin! Idk if you remember me (Gregory Jeffrey), but I was at Cuesta Community College in CA back in 2010 and was in a bible study with you for a year or so. Just wanted to let you know my wife and I joined staff here in SLO last month, and just re-launched Cuesta Cru and are hosting our first bible study tonight in our home. Thankful for your leadership back when we were students and I'd love to ask for your prayers as we interact with students!

Spark Conference

A local large church called The Chapel lead a 30ish hour conference with several college ministries (including Cru) right in Buffalo! It was called the Spark Conference and it was a jammed packed Friday and Saturday! There were large group teachings, times of worship, along with breakout sessions and dedicated time of connection with others! This was an amazing time for students to really take hold of their faith and learn how to grow it. There were over 200 college students in attendance!

Lucas

At the Spark Conference I saw Lucas, one of the guys I worked with at Daemen College but is now graduated and working as a graphic designer. Lucas would come about every other week to Cru and bible study and said he was too busy to come every week, which we hear a lot. So I wasn't sure how excited about Christianity he was. Anyway, you should have seen how into the conference Lucas was. The cooler thing was that he had a group of 4 guys and Lucas was the glue that kept them together. He got them to the conference, and while he was around them he kept encouraging them to read their bible, walk closer to God, go to Church. I love getting a glimpse of what becomes of college students that were a part of Cru after they graduate.

PRAISES + PRAYERS

- **Praises** - for students growing in their faith on all 5 of the campuses we are on!
- **Prayers** - for the 3 upcoming spring break trips on different weeks students in Buffalo will be attending.
- **Prayers** - for the over 120 Cru missionaries in Ukraine. Many are unable to relocate, and some have been called up for military service. Would you pray with us not just for Cru missionaries, but the entire nation.
- **Praises** - for you! We are incredibly grateful that we get to share this journey with you.
