CRU MISSIONARIES *AT* BUFFALO | JUNE 2012

Our mini-van was packed with 3 College Students and 3 babies as we drove to Buffalo CRU's all-campus end of the year BBQ. This event really gave a true perspective of what God has done this past year through Buffalo CRU.

We work at the University at Buffalo (UB) and the rest of our team works at 2 other campuses in the area. At UB we started the year with 2 students involved and ended the year with 20. All the campuses together ended with 52 students involved! We still have a long way to go at UB but we believe God has great things in store for next fall.

For the past month I have been training 3 of our more spiritually mature students in things like meeting with new believers, how to lead a bible study, how to share their faith, etc. This gives them ownership to do ministry shoulder to shoulder with us next year but also equips them for life. I also took 9 other students that are either young, new, or non-believers through the fundamentals of Christianity, in hopes that they start really growing in their faith. Honestly, I love working with these students. They ask so many questions about God and the Bible, you can just see the light bulbs turning on and making connections they didn't have before.

Ashley's Story

We've also written you this year about Ashley, a student at Buffalo State. The week before Easter they studied John 18:33-40 where Pilate questions Jesus. One of the questions that came up in the group was "can we relate to Pilate?" Ashley said she felt like she constantly does what Pilate did. Like Pilate, Ashley will ask Jesus if He really is all He claims to be but then turn away from Him to do what she wants to do. After the weekly meeting through tears, Ashley prayed that Jesus would really reign in her life, that He would be her Source of life, and that she would yield herself to Him. She is really wrestling with lifestyle decisions, but she is wanting so much to choose Jesus over anything the world can offer.

Summer Prayer Requests

Pray for our family as we pack up our kids to live on mission this summer in Wildwood, NJ.

Pray as we reach out to the thousands of international students that are working in Wildwood, NJ.

Pray for Taylor a student from UB that will be with us this summer. Pray that he grows in his love for Jesus and he develops a passion to reach God's people.
