

The Lamb Family

CRU MISSIONARIES *at* BUFFALO | Dec 2019

I received these text messages last week.

KATIE FROM BUFF STATE FOR SURE GAVE HER LIFE TO CHRIST TONIGHT!!!

AHHHHHHHH! PARTY IN HEAVEN WOO HOOO!!!! 🎉🎉🎉🎉

And this is the story from Carly Kevin's Buffalo State teammate...

Carly and Katie

So we (Carly and Katie) met up for dinner and I was thinking about going through some Cru materials, but we ended up talking for 3 hours about what's holding her back from following Jesus and processing all that. Then on her own Katie just said "I think I'm ready", and asked if she was supposed to say something specific. I said "not really, it's just however you want to say you want Jesus in your life". Then we sat for a minute and she prayed out loud and started crying and said she wants Him to come into her life!! After Katie prayed, she said it took so long to accept Christ because she worried so much about people pleasing and about other peoples' opinions. So we talked about how it's ultimately between her and God. Then she reflected on how much God had been working on her heart before this moment, but that she felt she was ready now to

move forward in a relationship with Him!!!! Crazy!!!!

Then I received this text a day later...

Yooo!!!! Just met with a girl named Laura at UB (University of Buffalo) and she PRC'd!!!! (Prayed to Receive Christ) IT WAS AWESOME.

Here is the story from Brooke our University at Buffalo teammate...

Laura was tracking so well the whole time, and at the end she was seriously blown away that more people don't know this truth. She kept saying, "this is so amazing!" And "It just feels so good to know this is true!" And then, she even said at the end, "I feel like I want to learn everything there is to know about Jesus. I can't wait to learn more!" So cool, I've never experienced that before.

God is doing big things in Buffalo and we are so thankful for your partnership so we can be here. Please be praying for these new believers to grow in their new faith.

In November Kevin had the great privilege of officiating the wedding ceremony for his sister Denise. It felt like a gift to be all together as a family celebrating the marriage of two people we love dearly. We are so excited to welcome her amazing new husband James to the family!

What is coming up:

Dec 27 - Jan 1 Winter Conference in Baltimore for Cru college students all over the East Coast.
