

Throughout the school year we do promotional tabling on each of our 4 college campuses in Buffalo! This year, through the promotional outreach we've seen new students come to Cru, as well as a few come to know Christ! After tabling, my teammate Allison contacted Ava who is a freshman at the University at Buffalo. She filled out one of our surveys at a campus fair. Ava indicated that she was interested in learning more about God and Christianity. They ended up meeting and getting into a great spiritual conversion. Allison showed Ava the Knowing God Personally booklet, an evangelism tool that clearly lays out the Gospel and has an invitation to respond.

By the end Ava expressed that it was the desire of her heart to know God personally and that it's what she's been searching for! Amazing!

Since then, Ava has been coming to Cru regularly and is being disciplined weekly by Allison! Ava has such a desire to grow in God, she has even signed up for our Cru Winter Conference and will be joining us December 28-Jan 1 in Washington DC. This is just one of so many

stories I could tell. God is truly causing life change on the college campuses in Buffalo, NY!

There are so many more things that I could write about, like Fall Getaway, Friends giving's, our tacky sweater outreach party, what God is doing on each of the Buffalo colleges we are on, and more. But, as I reflect back on 2023 and all God has done on the Buffalo college campuses. We realize that it's because of you, your prayers, and giving, that non-Christian college students get to hear the gospel here in Buffalo and beyond. But, it's also because of you that Christian college students get to hear the gospel in Buffalo and beyond. Students like Ava who now have a new testimony to share.

Thank you for investing in what God is doing.

Thank you for investing in changed lives.

Thank you for investing in college students.

Thank you for investing in us.

We love you and are deeply thankful for your partnership with us.

Jenn and I are totally blown away by your generosity and care for us. We know you love college students (many of you were involved in something like Cru while you were students, or wish you were, or hope your kids will be). We know you love God and want people to know him. And we know you love giving to something as strategic as reaching students in Buffalo with the good news of the Gospel. Thank you.

Grateful to the Lord for you,

Kevin, Jenn, and the 4 Lamb Kids
