CRU MISSIONARIES *at* BUFFALO | July 2018

Our team loves to celebrate and have fun. At the end of the semester we took time to remember and celebrate all that God did. I wish you

could have been in the room with all our student leaders from around Western NY last month. We ate pulled pork in our living room and went around the room sharing all that God has done. So here are just a few snapshots of the evening. Thank you for your partnership!!!

Read their amazing comments

Craig: " I transferred schools and was living with 4 Indian dudes that I didn't know. I had no friends. Then Cru changed everything."

Hayley: "I tried digital outreach where I shared gospel online with a friend who received Christ."

Jude: "The past 3 years with Cru I was super scared to step out and lead and share the Gospel. Now I'm actually sharing with others. Not only do I have a faith that's just mine, but I'm able to share it with others."

Ike: "I grew in my faith personally by sharing the Gospel with my friend who asked me questions for the first time!"

Kaitlyn: " I shared the Gospel with a girl who came to faith in Christ!"

Dan T: "We launched Cru at Niagara County Community College through a church partnership! We are official on our 9th campus!!!"

Derek: "Shared the Gospel on spring break. Then got hit up by that person later who said he prayed to receive Christ from our conversation. Now I'm sharing the Gospel regularly."

SARAH: "I'M LEADING DISCIPLESHIP GROUP AS A SOPHOMORE. IT'S COOL TO SEE FRESHMAN BEING BUILT UP."

Dan F: "Our men's community group grew so big it had to split in two."
