CRU MISSIONARIES *AT* BUFFALO | March 2017

We Are Better Together

For a few years now there has been a dream of getting all the ministries in Western New York that reach out to colleges together to really saturate the campuses with the Gospel. Actually, one of the aspects of Buffalo we are very thankful for is that the Christian churches and ministries work well together. So, this past Sunday over **300** students from 13 different ministries came to the biggest church in the area to hear from a guy from California. He taught a technique, that has been very successfully to get into spiritual conversations with their friends called "Gospel Appointments". Afterward, we trained our Cru students how to share the Gospel in a clear way once they get in spiritual conversation during "Gospel Appointments". Students left that time excited and well prepared. We are going to follow up personally with our students by having them come up with their top 5 people they want to pray for, care for, and share with during "Gospel Appointments". We will be gathering again together in April to share stories about how God worked in our Gospel Appointments. Pray as we are unified together in the mission, we would see God do some amazing things in these next 6 weeks and beyond.

Student Lead Ministry

One of the down sides of starting up new college ministries is that it can take years to find and develop students leaders to help lead the ministry, and then they graduate. Let me tell you about Luke, he is a sophomore at Daemen college. This time last year Luke was involved with Cru but wasn't consistent because he was involved in lots of activities. I could tell he was a strong Christian and thought he would be a great leader but his lack of commitment kept him from helping out much. Then last spring break everything changed for Luke at Big Break, he says "it changed my life". Luke realized that he only had a small window while at college to reach other students around him for Christ. He dropped most of his other activities to fully commit to reaching and growing students for Christ at Daemen. Since then it has been such a joy to work with Luke. This semester I have given him full leadership of the men's community group we are in. I am now his Co-leader and this is good news! Luke is growing, and as we pass off leadership to students we can go and reach more places.

Luke & Kevin

On the family front... thanks to some kids ski free programs we have been teaching the kids to ski this winter. The snow and the cold won't stop us from having adventures. Abbey(9), David(6), and Peter(5) all learned this year! Only our littlest, Madeline(2) is left but with her spunky personality I wouldn't doubt she will be right there with us next year.

Prayer Requests

1. Pray for Kevin as he leads over 30 students to FL the 3rd week of March for Big Break our spring break mission trip.
2. Pray for us as parents of 4 littles ones that we would lead them to our loving God well.
3. Pray for Luke at Daemen as he leads in reaching the next generation of men.
