CRU MISSIONARIES *at* BUFFALO | Sept 2018

On your mark, get set, GO! In the world of campus ministry September is race day, or more like race month. It's what we have been praying for all summer. And now is the time we GO and meet as many new students as possible and give them an opportunity to know Jesus. So we give away thousands of freezes pops, and hundreds of bouncy balls (yes, they are a hot commodity on campus) in order to connect with freshman. At the University of Buffalo we have seen over 60+ new students come to our weekly meeting. So many of these students are not yet Christians!! **Lauren who openly says she is looking into faith came to Cru for the first time this week. She said, "Joe (a regular Cru student) came up to me while I was smoking a cigarette outside of class and invited me to Cru. I figured this is a sign that God is pursuing me".** And this is not a singular occurrence. At least a third of the students attending our bible studies are not believers. This is exciting for us!! We prayed all summer that this would be the most spiritually open freshman class ever and we are seeing God answer prayers. Thank you for your partnership!! We can't say it enough but your investment makes an eternal impact.

300+ new students came to a free BBO at the dorms

Thousands of Spiritual interest surveys filled out

Late night Denny's hang

Every week we do something fun after the weekly meeting. Bonfire & smores!!

Prayer Requests:

- Fall getaway (Oct 5-7th) we are praying for 130 students to come from Buffalo.
- Pray for Jenn and I as we lead and train some new young staff on our team.
- Pray for the not yet believing students to come to faith.
- Pray for our son Peter. He broke his arm and had to have surgery right before school started.
