CRU MISSIONARIES *AT* BUFFALO | June 2016

We arrived in Wildwood NJ!

Our family will be living in Wildwood, NJ for the next 6 weeks. Why you might ask? We thought it would be fun to live by the beach for awhile. Ha ha Just kidding. Actually Wildwood is a unique city where thousands of international students come from all over the world to work for the summer. And with 25 American students (including a student from Buffalo) we are here to make friends with

international students and share the Good News of Jesus Christ. We also will be discipling and developing the American students in Biblical leadership skills. Kevin is on the leadership team helping with the overall Summer Mission, and Jenn has a group of girls she will be leading this summer.

We feel like God is just getting started in Buffalo and He is using the ministry of Cru to do amazing things. You are a huge part of this!! Thank you again for being apart of what God is doing in Buffalo and in the lives of college students to reach their campus and the world!

It is a busy 6 weeks of ministry, community events and Biblical training, making for very full days. The long days are worth it to see American and International students alike treasure Jesus and seek His kingdom for a lifetime after a Summer Mission like this. We have already met students from Russia, Turkey, Eastern Europe, Greece, China and many other countries. Please pray for God to move in the hearts of the students here.
