CRU MISSIONARIES *at* BUFFALO | June 2018

We thought you might want to hear from one of our students that have been growing in her faith and her leadership to make Jesus known...

Hello everyone, my name is Katelyn Tenpas, I am currently a sophomore at Daemen College. I was raised in a Christian home in a very small town where the number of cows was equal to the population. When I was getting ready to decide which college to attend, I felt pressured to choose a Christian college because it was believed that the only way I could remain a Christian was if I went to a Christian college. But, none of those schools were on my radar.

So, my senior year came and went and I was getting ready to head off to Daemen College. I found that Daemen had a club called Cru and I promised myself I would check it out. So the first week of my freshman year I saw a table for Cru and got connected. Before I knew it, I had upperclassmen girls from Cru meeting up with me and helping me feel welcomed. I joined the women's community group, where I was able to connect with other freshman girls also seeking to know Jesus more. **I was also asked by Rachel a senior and Cru student leader to be in an even smaller discipleship group with 2 other freshman. At the discipleship group I developed a deeper relationship with God and other girls. It was what I looked forward to the most every week.**

Fast forward to this year, I was able to co-lead a freshman girls community group with Rachel. This is where I got to know a few girls who I would later be able to disciple, like a Rachel had done for me. Throughout this time, Rachel had been disciplining me on how to lead a bible study and share my faith. This was so helpful when a new student, Morgan came to an outreach Cru put on. After the event, I made plans to meet up with Morgan and was able to share the Gospel! **At the end of our meeting, she prayed to receive Christ** and is now actively growing and becoming involved with Cru.

I am very thankful for all that Cru has done for me over the past 2 years. **It is cool to look back and see the chain of discipleship that has happened at Daemen. Jenn Lamb started disciplining Ashley, Ashley disciplined Rachel, Rachel disciplined me, and now I am able to disciple my freshman girls like Telena, and I hope that they will continue to disciple others as well.**

It is because of Cru and the people that I have met, that has allowed me to step out of my comfort zone and be able to share my faith with others. Regardless of where God leads me next, I know the truths and skills that I have learned, I will be able to take with me wherever ever I go in life.
