Cru Missionaries at Buffalo June 2024

## 350 Attend UB Outreach

Recently we did an outreach at the University at Buffalo where we brought in author and apologist Dr. Frank Turek. He wrote the book "I don't have enough faith to be an Atheist." Dr. Turek discussed the foundational questions surrounding the Christian faith. This was a great way for non-Christian students to discover more about

God as well as Christians to learn how to defend their faith. We ended the night with an hour and half of Q&A from students after the talk! Over 350 students, faculty and others from across WNY were in attendance. We also had a few boxes of Dr. Frank's book to distribute to students. 3 skeptics came to our Cru meeting the following week, and we were able to meet up with them and share the gospel with them personally. Here's the link to the livestream from that night. It's definitely worth a watch! <https://tinyurl.com/UBFrankTurek>

## God is bringing Men!

HUGE ANSWER TO PRAYER! We have been praying that God would raise up more men at the University at Buffalo to be involved in our ministry. WELL, GOD PROVIDED! Here's a picture of a weekly meeting at UB where the guys outnumber the girls! The Lord always giving us more than what we ask for!

## A Joyful Goodbye

It is that time of year where we have to say goodbye to our seniors. So, it was sad for me to see 6 students graduate from Buffalo State University this year. But, I can honestly say all the students pictured are leaving well trained and able to reach the world for Christ and help out in their local churches.

We rejoice for the awesome ways God is at work in students' lives! He is changing hearts and raising up lifelong laborers for the Kingdom of God. Thank you so much for your partnership, your prayers, and your generosity that make that possible.
