CRU MISSIONARIES *AT* BUFFALO | Nov 2015

Fall is in full effect here. Leaves slowly drift to the ground but then they are quickly raked up so the kids can jump off the deck into the big leaf pile. With that comes lots of Cru fall events and outreaches. This season marks a period of building into our students through discipleship and community building events. We are trusting God to create authentic transforming community within our Cru movements so our students are growing in the faith and with one another. We wanted to share with you some of the highlights...

Apple Picking and Chili Night

It was a bitter cold and windy day, but everyone was bound and determined to get their apple picking on. (Left) Freshmen Lydia and Sara picked up some pumpkins and local grapes with their apples too. Then everyone crammed into Carl's, our single staff guy's, apartment to warm up eating chili and playing games.

Man Day

I have been wanting to do a men's event for years. And this year we headed to Ithaca, NY to join Cornell Cru for an all day manly day. We threw axes, played paintball, built catapults in teams, ate fajitas, and talked about what it means to be a man of God.

Women's Paint Night

The Cru ladies got creative one night and had a paint night. We also heard from our staff women on how God created us for relationship with Him and others. Girls were crying as they shared about their personal barriers in authentic community. And the Gospel was shared with a new girl in her small group!

Pumpkin Carving Outreach

Our 3rd annual pumpkin carving outreach was a success. Simultaneously on three different campuses in Buffalo students planned an event to invite their friends to carve pumpkins together. About half the students were new faces!!!
