CRU MISSIONARIES at BUFFALO | Nov 2021

Buffalo Students at Fall Getaway from 5 different Campuses

**WIN** One of the coolest stories from the Fall Getaway weekend happened while students were carpooling home. A freshman from Niagara University named Matt had many questions about God after hearing all the talks over the weekend. Because Matt had ridden up, stayed in a cabin with, and spent the weekend with two of our student leaders (Gabe and Christian), he finally felt comfortable to begin asking

those questions. Christian and Gabe began to then break down the Gospel for Matt on the ride back to school. **This was where for the first time, Matt understood Jesus' love for him, and prayed to receive Christ into his life.**

**BUILD** I (Kevin) have started meeting with Blake a freshman at Daemen College. He is a fairly new Christian. During our first meeting I used a special Cru edition deck of cards with pictures on them to ask him a few questions. One of the pictures Blake picked was of a ladder (right). When asked why he chose that card Blake said, **“When I came to college I thought it was going to be a lot harder to walk with God. But actually my walk with the Lord has been going up like the ladder. I’ve made so many new Christian friends and we’re always doing things and talking about God. I am reading my Bible more than ever before with them. I have also learned a ton and been encouraged to grow in my faith from the weekly meetings and bible study I go to weekly. I’ve grown a ton with Jesus.”** Blake then, went on to say how he’s so excited to grow in his walk with the Lord. And he wants to know how talk to others about Jesus so they can know about God. For example, Blake said, **“When I am going somewhere and someone asks me where I am going I don’t just say, I’m just going out, I actually tell them I am going to... Bible study or Cru’s weekly meeting.”** It’s just super encouraging how God is very much still at work in young college students lives.
