CRU MISSIONARIES *AT* BUFFALO | Feb 2015

New Campus New Life

A baseball scholarship brought Thomas or as he is called T-rod from sunny CA to snowy Buffalo to attend Niagara University. He had seen Cru at UCLA so when he realized that there was not a Christian movement at Niagara University he decided he wanted to start something. Not knowing what to do first he looked up Cru online and got in contact with a staff member in Orlando FL where our main headquarters is. They coached T-rod a bit on how to launch a new Cru movement and then they connected T-rod with us. We were thrilled to meet T-rod and his friend Christian who had been leading a bible study of men for most last semester! T-rod and a bunch of his friends started attending our city wide Cru events and you would have thought they were at Disneyland as they were finally getting to be a part of thriving community. With our staff team being so small this year we probably wouldn't have gone to Niagara University this year but God in His endless ability, power, and goodness provided us a way. Please pray for T-rod, Christian and Korin (the female) leader at Niagara University as we trust God to bring the Good New of Jesus to their campus Niagara University.

Prayer and Praise

- Pray for the 3 spring break trips in March to FL for our week long evangelism conference.
- Several of our key leaders are graduating so pray that this semester we can pass on the leadership well.
- Praise that our bible studies are experience greater vulnerability with one another.
