

Obviously since March this has been an unprecedented time for everyone. Despite the challenges we have seen God draw students to himself. Thomas, a Cru staff member on our team at Niagara University, saw God show up in an amazing way this semester. We wanted to share the story in his words.

“At the beginning of the semester we decided to do a \$100 amazon gift card giveaway to any student who would fill out our spiritual interest survey. The survey helps us find students who are believers, and also helps us find students who are seekers.

A few weeks later when it came time to choose a winner I pulled a survey from a thick stack of names, and later that week got the chance to meet up with Alex to give him his Amazon card. I was anticipating that he would take the gift card and run like Usain Bolt, but to my surprise he wanted to talk. It turns out Alex chose Niagara University because he wanted to explore Christianity, something he hadn't done since his grandfather passed. Over the next 45 minutes or so I got the chance to walk through the Gospel with him. **Alex was grasping the truth, and at the end of our time he mentioned that trusting in Jesus and living for him was the desire of his heart!**”

Thomas - Cru Staff

Thomas and Alex have been meeting every week since to read and grow more in God's word together. This is just one of many stories of what God is up to this year. Honestly it's because of you that college students like Alex get to hear the Gospel.

Thank you for investing in what God is doing.
Thank you for investing in changed lives.
Thank you for investing in college students.
Thank you for investing in us.

We know you love college students (many of you were involved in something like Cru or wish you were, or hope your kids will be). And so we don't feel alone because of your partnership.

Our deep appreciation for you is unwavering. We are totally blown away by your generosity and care for us. We are so grateful to the Lord for you.

Yours in Christ,

Kevin & Jenni Lamb
