September 2005 Report *From* Missionary / Evangelist **Robert Lewis**

602 Manco Road, Lewisville, Texas 75067

My wife and I have just returned from participating in a five day meeting with the Choctaw Baptist Church, in Idabel, Oklahoma. This church is pastored by Bob Williams. He and his wife, Cala, have established three churches in the nine years they have ministered in this southeastern Oklahoma community.

August 31, through September 2, Pastor Dick Webster and Liberty Baptist Church hosted the first "Deputation School" for GIBMissionaries. These fourteen adults completed the three days of teaching.

Rob and Joan Watson — Missionary Helpers
Tim and Jessica Hewitt — Sri Lanka
Tim and Hulda Herndon — India
Ed and Angie Oster — Argentina
Russell and Janet Brinkley — Scotland
Adam and Christy McGeorge — Australia
Joe and Jeniece McEldowney—Madagascar

I did have a ticket booked to visit Ronny George at a safe location in Jordan just after the Deputation School. However, he will not be allowed to leave Iraq until after the constitutional question is resolved. He is studying, and he is very thankful for the opportunity to minister to the few sheep who are able to attend his Bible studies and worship services. Some of his people have left the country because of the war. Yet, new ones continue to come. He is now using the new generator and air conditioning unit that many of you helped us to procure for his church family. Thanks!

Pastor Webster has asked me to head up an emergency relief operation for sister churches in the hurricane devastated area. On Thursday, September 7th, Liberty Baptist Church will load a truck and trailer with emergency supplies which we will deliver to them. We will do what we can to ease their burdens at this time.

Thank You for your confidence!

My wife and I will be ministering in Nebraska, Iowa, and Kansas, this month, visiting nine churches

Please pray that we will be a blessing to the churches, pastors, and missionaries that we encounter along the way.
