Friends,

A good pastor once told me, *“When you have a need, ask the Lord, and tell the people.”* The Lord uses people to accomplish His grand purposes on the earth. People can pray and give and go. My wife and I continuously attempt to go through the doors of service that the Lord opens for us. Admittedly, we are reluctant to talk about our needs. We do not like to say *“no”* to anyone who feels led to ask us to help them in ministry. In the past, we have used our savings plus the support that we receive from the churches to travel. We are not unwilling to use our credit cards to keep going, but we don’t believe it is prudent for us to bear this burden alone.

GIBM Missionary Benjamin Park has invited Brother Webster and me to travel to Seoul, South Korea, in October to meet with 60 Korean pastors and their church families (*see attached letter*). His purpose is to introduce them to some men in the USA who will help them to continue on the old paths. We think that we can help him do that *and* broaden the hem of the GIBF garment at the same time.

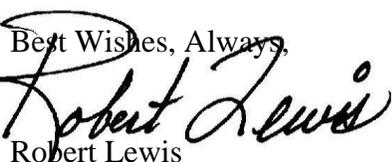

The airfare for this trip to Korea will cost me in the neighborhood of \$1,100.

In November, my wife and I have been invited by GIBM Missionary Bob Martin to teach in the last module of a training institute. At the end of this module, we will participate in the graduation ceremony for the national pastors who finish their courses.

The airfare for this trip will cost about \$1,100 for the *both* of us.

In addition to these trips, I have been invited to make a journey to Sri Lanka to encourage the missionaries and national pastors. It is our hope to be able to bring home a video report and some statistics to aid those who may be praying about going to the mission field. We do not have dates or expenses calculated for this trip yet. The truth is that we need some help to be able to respond to the invitations which we have received. We are praying that the Lord will provide funds so that we may continue helping missionaries by visiting them on the field.

I have been a church planter and a pastor for over 30 years. My goal is the furtherance of the Gospel of Jesus Christ. As I often say while preaching, *“I want to finish my journey doing something that requires faith.”* This can only be accomplished through prayer and our confidence in the Lord’s provision. Please pray for us and consider using us in a missions conference or other meeting as the Lord directs your heart.

Best Wishes, Always,

Robert Lewis

Dear Dr. Lewis,

Last month (June of 2011), Pastor Byung-sung Chun, the senior pastor of Great Light Baptist Church in Seoul area, who will host the Fall Fellowship Meeting in Oct. 17-20, 2011, asked me (because I have been recognized as GIBM Korean missionary) to find speakers for this meeting from Global Independent Baptist Fellowship. I am very grateful that you and Pastor Dick Webster and two other preachers are willing to go to Korea to be blessings for our Korean pastors.

The purpose of the meeting is to encourage Korean Independent Fundamental Baptist pastors to stand strong for the Biblical and Historical Baptist Faith. It will be great time of fellowship and an opportunity to connect the two Fellowships for the cause of Independent Fundamental Baptist Faith.

May the Lord God bless your efforts and sacrifice to become blessing for our Korean brethren.

If there is any question or/and something you need as you prepare this trip, please do not hesitate to tell me.

Sincerely in His Service,

Benjamin Park
